

Stradline 3D Model License Agreement (Standard License)

Effective Date: Date of Purchase / Download

Licensor: Stradline (<https://www.thestradline.com>)

Licensed File(s): 3D model(s) of violin components provided in STL/STEP/IGES formats

License Type: Standard – Limited Use

1. Permitted Uses

The Licensee (purchaser) is granted a non-exclusive, non-transferable license to:

- Use the 3D model(s) to manufacture up to five (5) physical violins using CNC or other fabrication methods.
- Modify the model(s) to suit specific fabrication requirements.
- Sell or use the physical instruments personally crafted from the licensed model(s), up to the limit stated above.

2. Prohibited Uses

The Licensee may not:

- Use the model(s) for mass production, batch production, or the manufacture of more than five (5) units.
- Share, sell, redistribute, sublicense, or make the model(s) available (modified or unmodified) to any third party.
- Publish the model(s) on online platforms, forums, marketplaces, or social media, whether free or for sale.
- Use the model(s) as part of a commercial brand, kit, or product offering without separate written permission from Stradline.

3. Commercial License

If you wish to:

- Manufacture more than five (5) instruments using the model(s), or
- Incorporate the models into a product line, service, workshop output, or branded offering,

You must obtain a Commercial License from Stradline. Please contact us at thestradline@gmail.com to request commercial usage terms.

4. Ownership

The 3D model(s) remain the intellectual property of Stradline. This license does not constitute a sale of the file(s) or any rights beyond those explicitly granted.

5. Termination

Violation of this agreement will result in the automatic termination of the license. Stradline reserves the right to take legal action if its rights are infringed.
